Shoe Box Appeal

▶ **Change a child's life**

It takes just a few simple items to help
a child towards a better future—and
showing them someone cares. Bring a
smile to a child's face. They'll never
forget it.

Fill a box

With your box, you'll need to include £2 to cover the cost of sending it. Put your £2 in a small plastic bag, or wrap in a piece of plastic and tape to the inside of the lid. Please do not put it anywhere on the outside of your box! If you prefer to send a cheque, please make it payable to: Feed The Children.

Why not include a picture of yourself and a letter? This way the child you've helped will know who you are!

But don't write your address anywhere on the box or inside it.

Last of all, put a big strong elastic band round your box and hand it in to us or to the person organising the appeal. **Don't seal your box up as everything needs to be checked before being sent.**
